East Coast: 626-366-3848

Portable Design for Free Operation

· Compact design for easy carrying and transport
· Aluminium case protection

Reliable Performance Wherever You Go

· Reliable performance ensures smooth uninterrupted operation.

· Fully equipped with dental instruments, delivering strong suction during treatment.

180° opening angle

Easy to Use Independently

· Build-in compressor to reliable air supply
· Self-contained water and drain system for perfect hygiene

Specifications

Voltage	AC 115V 60Hz
Power	690W
Compressor Air Flow	⩾40L/min
Compressor Air Pressure	0.55MPa
Fuse	10A
Noise	＜65dB
Vacuum	⩾25.4 inHg
Water Suction Rate	⩾1.5L/min
Opening angle	180°
Product Size	18.2 × 12.8 × 29.3 inch
